Opportunities for Corporate Sponsorship

The Sailors Home and Mission to Seafarers in Hong Kong has held an Annual Maritime Charity Dinner since 2013, this year will be our 10th event and in keeping with past events we will be asking for sponsorship to raise much needed funds to support the welfare work with seafarers across our East Asia Region. We will as in the past, be awarding the Seafarers Awards for Hong Kong Ship Owner and Hong Kong Ship Manager of the year 2022.

You can help us by becoming a named sponsor and/or taking a corporate table with a company flag, the details are listed below.

Tables of 10 which includes a four-course dinner, champagne reception will be available for a contribution of **HK\$38,870** or **US\$5,000**. It is hoped that the costs of the event can be covered by corporate sponsorship so that all funds raised from ticket sales and fundraising on the night can go directly to our welfare work with seafarers.
